## WHY SHOULD YOU OFFER ST GERMAINS ESTATE OLIVE OIL TO YOUR VALUED CLIENTS?

- ✓ **Our farm is Australian owned, this means you are offering a product that is Australian owned and grown**
- ✓ The Olives are harvested early which means we produce a smaller amount of very high quality oil

- ✓ Our oil is pure extra virgin olive oil – no other oils are added
- ✓ **Free from preservatives**
- ✓ So good you can drink it – people often do – they just won't be able to get enough of it
- ✓ **Only made available through boutique outlets**
- ✓ The investment involved allows you to offer an exceptional oil at great value to your clients at the same time making 100% profit for you.
